APPLICATION INFORMATION

Creative Stallholder Application

Marrickville Music Festival

Sunday 13 October 2024

12pm-6pm

Marrickville Road, Marrickville

In 2024, Council will be showcasing local creative stallholders at Marrickville Music Festival alongside our community and food stallholders. This includes independent makers, artisans, crafters, artists and other creative businesses

For 2024, Council will be partnering with local outfit [Inner West Artist Market](#) in the curation and development of the creative stallholders at Marrickville Music Festival. Inner West Artist Market is produced by Artist Made, passionate cheerleader for the Inner West creative community.

THIS APPLICATION IS ONLY FOR CREATIVE STALLHOLDERS

Please read all the information in this application carefully. Due to high demand and a limited number of stalls on the day, not all applications will be successful.

This is an expression of interest process to understand vendor requirements and curate the offering for the day. Selection of vendors will be based on this information as well as follow-up conversations with potential vendors.

Selection of stallholders is the final decision of Council and no further correspondence will be entered into. Council reserves the right to amend the selection criteria at any time without notice. Incomplete applications may not be considered.

Please note, this application form has changed. Please review the changes carefully.

STALLS: If you require Council to provide you with a stall structure, you will be provided a **3x3m walled marquee and 2 trestle table** (if required). You can view an [example structure in this link](#).

You have the option to share your stall with another artist and can indicate this in your application.

Please note that power and additional space are charged **separately**, and you will need to add the fees as you move through this form. **Deadline:** Applications close 30 June 2024
