Welcome to the Stall Application for ReFest 2026.

If you would like to run a workshop, please complete the link/form found [here](#).

For a food stall, please instead apply [here](#).

SELECTION CRITERIA

Inner West Council prioritises businesses that are based within the [Inner West Council local government area](#), as well as:

- Businesses operating in [sustainability](#) and the [circular economy](#)
- Businesses using reusable or minimal packaging e.g *glass jars, unlined paper bags*. Single-use packaging (including compostable and cardboard) is discouraged for this event.
- Those offering participatory activities that engage a broad range of the community beyond distributing flyers
- Businesses whose offerings align with Council's [Community Strategic Plan](#);
- Local businesses with particular regards to those who support the local community year round

Due to high demand and a limited number of spots on the day, we regret not all applications will be successful. Selection of stallholders is the final decision of Council.

FEES AND CHARGES

The cost of stall hire will vary depending on your structure and power requirements. You can either bring your own 3m x 3m tent or pay a hiring fee for Council to provide the structure for you.

Infrastructure package

The hire package includes site hire, a [3x3m walled marquee](#), leg weights, 1 trestle table, and 2 chairs
